October 2022 **Volume 27, Issue 2**

Hello families!

Our school year has gotten off to a wonderful start! It is so exciting to watch your children making new friends and connecting with old ones too. We are observing the children learning new things and new routines. Seeing their happy, excited faces is what we hope you also see as they talk about their days and come out to you at the end of each day.

Field trips are planned for each class. Please be sure to send the permission form back whether or not your child will join us at the location. We DO NOT meet at preschool on field trip days. Please be sure to meet at the destination at least 10 minutes early so we can assemble and begin our tours on time. Children will move to the front of the group, while parents will stay towards the back. Parents must stay with their child during the entire trip. Tour guides will be speaking to all visitors. Children are allowed to attend with another parent, friend or caregiver. Please fill in the entire field trip form with all details. CASH only can be accepted for field trip payments. Please use exact change.

Monday, October 31st and Tuesday, November 1st is "fall fun day" at preschool. Come on your regularly scheduled day. The teachers will plan fun activities for the children inside during the morning. We are asking parents/drivers to come back a little early for a trunk or treat activity! IF you would like to join in the trunk or treat, please back your vehicle into a parking space, with the back facing the Family Life Center wall where you usually pull up to drop off and pick up by 10:50am. Feel free to decorate your trunk and dress up yourself if you'd like! The children will stop at your trunk in their costumes to trick or treat. Please no homemade treats unless all ingredients are clearly listed. Please send your

child's costume with them at the 9am drop off time. We will assist children in getting ready for the parade. Please, NO witches/devils/ghosts, fighting/bloody costumes or fake weapons for the children OR the trunk or treat vehicle or adult.

Please sign up for conferences via sign-up genius. You may sign up for either Thursday or Friday.
Your link is https://www.signupgenius.com/go/10C0D4DA5A62EABF8C43-parent2
Children should not attend conferences. There is no childcare offered during conferences.
