

**Acknowledgement of Risks Associated with Communicable/Infectious Disease:**

Families understand that students may be at risk of contracting communicable or infectious disease while attending preschool.

Families understand and acknowledge that, despite all reasonable precautionary measures, risks associated with infectious disease cannot be eliminated.

**Release of Liability Arising from Communicable/Infectious Diseases:**

I understand and accept that Small Beginnings Christian Preschool, Maumee United Methodist Church and all employees will follow all safety protocols as required by current ODJFS and ODH. I understand and accept that this is not a guarantee against any person contracting or coming into contact with any communicable disease, including Covid-19 or any and all variants of Covid-19. I have voluntarily signed my child(ren) up to attend classes and hold SBCP, MUMC and employees harmless should this become the case.
